

## HBO 200 W/2 49 V

HBO Mercury short-arc lamps without reflector 50...200 W | Mercury short-arc lamps without reflector 50...200 W

### Areas of application

- Fluorescence microscopy
- UV curing
- A variety of light guide applications

### Product family benefits

- High radiance
- High radiant power in the UV and the visible range

### Product family features

- Multi-line spectrum

Technical data

Electrical data

|                 |         |
|-----------------|---------|
| Nominal voltage | 490 V   |
| Type of current | AC      |
| Rated wattage   | 20000 W |
| Nominal wattage | 20000 W |

Photometrical data

|                       |                       |
|-----------------------|-----------------------|
| Nominal luminous flux | 9500 lm               |
| Luminous intensity    | 1000 cd <sup>1)</sup> |

<sup>1)</sup> Typical initial photometric value

Dimensions & weight

|                                             |                         |
|---------------------------------------------|-------------------------|
| Diameter                                    | 170 mm                  |
| Mounting length                             | 102.0 mm <sup>1)</sup>  |
| Length with base excl. base pins/connection | 102.00 mm <sup>1)</sup> |
| Light center length (LCL)                   | 40.0 mm <sup>2)</sup>   |

<sup>1)</sup> Maximum

<sup>2)</sup> Distance from end of base to tip of anode (cold)

Lifespan

|          |                     |
|----------|---------------------|
| Lifespan | 400 h <sup>1)</sup> |
|----------|---------------------|

<sup>1)</sup> Reduced lifespan in AC operation

Additional product data

|                                     |         |
|-------------------------------------|---------|
| Base anode (standard designation)   | SFc10-4 |
| Base cathode (standard designation) | SFc10-4 |

Capabilities

Product datasheet

|                  |                   |
|------------------|-------------------|
| Burning position | s90 <sup>1)</sup> |
| Application      | Other             |

<sup>1)</sup> Anode underneath

Environmental information

| Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH) |               |
|-----------------------------------------------------------------------|---------------|
| Date of Declaration                                                   | 05-03-2024    |
| Primary Article Identifier                                            | 4050300508283 |
| Declaration No. in SCIP database                                      | In work       |

Country specific information

| Product code  | METEL code   | SEG-No. | STK-Number | UK Org |

| 4050300508283 | OSRHBO2002L2 | -       | -          | -      |

# Product datasheet

## Safety advice

Because of their high luminance, UV radiation and high internal pressure (when hot) HBO lamps may only be operated in enclosed lamp casings specially constructed for the purpose. Mercury is released if the lamp breaks. Special safety precautions must be taken. More information is available on request or can be found in the leaflet included with the lamp or in the operating instructions.

## Logistical Data

| Product code  | Product description | Packaging unit<br>(Pieces/Unit) | Dimensions (length<br>x width x height) | Volume                | Gross weight |
|---------------|---------------------|---------------------------------|-----------------------------------------|-----------------------|--------------|
| 4050300508283 | HBO 200 W/2 49 V    | Folding carton box<br>1         | 165 mm x 95 mm x<br>48 mm               | 0.75 dm <sup>3</sup>  | 112.00 g     |
| 4050300508290 | HBO 200 W/2 49 V    | Shipping carton box<br>10       | 235 mm x 210 mm x<br>225 mm             | 11.10 dm <sup>3</sup> | 1348.00 g    |

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.
