

# LEDDriving PX-5

LED daytime running light for retrofit

### LED pixel technology

Dynamic appearance thanks to faceted optic and dotted pixel technology

### DRL

LED daytime running light compatible with a wide range of car models and easy to install

### 5200 K

For drivers who want to increase visibility during the day

### Stylish highlights for your car

LEDDriving PX-5 serves as a high performance and energy-efficient daytime running light for retrofitting on your vehicle. With its patterned diode design of five LEDs, the LEDDriving PX-5 gives your vehicle a modern and stylish look. This daytime running light system is compatible with a wide range of vehicle models and is easy to install. The careful design of the LEDDriving system ensures a horizontal tilt of 10 degrees. In addition, the left-hand and right-hand lamps can be switched, thus making installation uncomplicated. Furthermore, the high color temperature of 5,200 Kelvin and long life of up to 5,000 hours provide endless driving pleasure with LEDDriving PX-5. OSRAM provides a 3-year guarantee for this product. Note: LEDDriving PX-5 is certified according to ECE, SAE and CCC regulations (ECE E4 approval; ECE R87 approval).

## Product family datasheet

### Technical data

	Product information	Electrical data		Photometrical data		Dimensions & weight	Lifespan	Additional product data	Capabilities
Product description	Order reference	Nominal voltage	Nominal wattage	Color temperature	Luminous flux	Length	Guarantee	Connector to lamp	Technology
LEDiving PX-5	LEDDRL301	13.2 V	12.5 W	5200 K	300 lm	160.0 mm	3 years	Wire Kit	LED
LEDiving PX-5	LEDDRL301	13.2 V	12.5 W	5200 K	550 lm	160.0 mm	3 years	Wire Kit	LED

	Certificates & standards		Logistical data
Product description	ECE category	Approval marks – approval	Commodity code
LEDiving PX-5	ECE R87	E4 approval	851220009000
LEDiving PX-5	ECE R87	E4 approval	851220009000
