# **OSRAM**

# LEDriving LG

The premium LED daytime running light by OSRAM

### LED lightguide technology

Pixel-free brilliance and dynamic curves

### **DRL & Position Light**

LED daytime running light including position light compatible with a wide range of car models and easy to install

# 6000 K

For drivers who want to increase visibility during the day

### Stylish highlights for your car

LEDriving LG – this premium LED daytime running light by OSRAM combines high technology, attractive design and absolutely uniform light distribution. This high-quality, LED daytime running light, with its head-turning design and curved shape, will make any car look that bit more dynamic. Thanks to the high IP 69K protection rating, intensive car washes do not pose any threat. The OSRAM LED LEDriving LG is suitable for many vehicle models and allows simple, quick self installation. With its bright light color of 6,000 Kelvin, LEDriving LG can be used as daytime running as well as position light. Thanks to intelligent control, an automatic operation is possible. OSRAM offers a 5-year-guarantee for this top product. Note: LEDriving LG is certified according to ECE, SAE, CCC regulations (ECE R87 approval).
