

LEDDriving LG ECE R87, R7

The premium LED daytime running light by OSRAM

LED lightguide technology

Pixel-free brilliance and dynamic curves

DRL & Position Light

LED daytime running light including position light compatible with a wide range of car models and easy to install

6000 K

For drivers who want to increase visibility during the day

Stylish highlights for your car

LEDDriving LG – this premium LED daytime running light by OSRAM combines high technology, attractive design and absolutely uniform light distribution. This high-quality, LED daytime running light, with its head-turning design and curved shape, will make any car look that bit more dynamic. Thanks to the high IP 69K protection rating, intensive car washes do not pose any threat. The OSRAM LED LEDDriving LG is suitable for many vehicle models and allows simple, quick self installation. With its bright light color of 6,000 Kelvin, LEDDriving LG can be used as daytime running as well as position light. Thanks to intelligent control, an automatic operation is possible. OSRAM offers a 5-year-guarantee for this top product. Note: LEDDriving LG is certified according to ECE, SAE, CCC regulations (ECE R87 approval).

Product datasheet

Technical data

Product information

Order reference	LEDDRL102
-----------------	-----------

Electrical data

Nominal voltage	13.5 V
Nominal wattage	15 W

Photometrical data

Color temperature	6000 K
-------------------	--------

Dimensions & weight

Length	167.0 mm
Product weight	953.00 g
Width	42.0 mm
Height	32.0 mm

Lifespan

Guarantee	5 years
-----------	---------

Additional product data

Connector to lamp	Wire Kit
-------------------	----------

Capabilities

Technology	LED
------------	-----

Certificates & standards

ECE category	ECE R87, R7
--------------	-------------

Product datasheet

Approval marks – approval	E4 approval
---------------------------	-------------

Country specific categorizations

Order reference	LEDDRL102
