LED color changing products

LEDambient TUNING LIGHTS CONNECT are interior ambient lights to express individuality. These Bluetooth controlled flexible self-adhesive LED strips provide RGB styling to the interior of your vehicle. The LED strips are very easy to install with no soldering or use of screws. Using Bluetooth technology, once paired, the free OSRAM LEDambient CONNECT app allows you to control color, mode, and multiple compatible products with one device. OSRAM provides a 2 year guarantee for this product. These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.
