

# LEDiving FOG LAMP H10

LED replacement for conventional fog lamps

**Extreme bright white light for better visibility**

Perfect color match with Xenon and LED headlights

**Excellent brightness**

No glaring thanks to an optimized light distribution

**Matches H10 halogen lamps**

Upgrade to LED with simple plug and play replacement

## New OSRAM LED fog lamps to increase safety and performance

The LEDiving FOG LAMP provides an upgrade with SSL technology with a color temperature of 6000K and perfectly matches existing LED Daytime Running Lights and Xenon Low- and High-beam systems. The LED fog lamps are easy to install and fit in most fog headlights using H10. The advanced airflow technology ensures a long lifetime. The product comes with a 5 year OSRAM guarantee. These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.

## Product family datasheet

### Technical data

Product description	Product information			Electrical data	
	Order reference	Application (Category and Product specific)	Product type (off-road vs. on-road)	Test voltage	Power input
LEDriving FOG LAMP $\cong$ H10	9645CW	Mainly used for fog light applications	Off-road $\cong$ H10	13.5 V	12.342 W

Product description	Nominal voltage	Nominal wattage	Photometrical data		Dimensions & weight	Lifespan	
			Luminous flux	Luminous flux tolerance		Lifespan B3	Lifespan Tc
LEDriving FOG LAMP $\cong$ H10	12.0 V	11.22 W	730 lm	$\pm 25$ %	42.0 mm	2500 h	5000 h

Product description	Additional product data	Capabilities	Certificates & standards
	Base (standard designation)	Technology	ECE category
LEDriving FOG LAMP $\cong$ H10	PY20d	LED
