Easy to install with no soldering or use of screws

LED-Produkte für individuelle Farbwahl

Using the LEDambient INTERIOR STRIP KIT, you can illuminate the interior of your vehicle in line with your personal taste. The kit allows you to arrange the two flexible, white LED strips according to your individual preference. Whether its the interior of a motorhome or a delivery truck, the LED light strips (each 1.5m long and with 90 LEDs) are perfect for cabin lighting, under-cabin lighting and other similar applications. The self-adhesive LED strips mean the LEDambient INTERIOR STRIP KIT is fast and easy to install – no need for soldering or screws. OSRAM provides a 2-year guarantee for this product. To read the exact guarantee conditions, please go to www.osram.com/am-guarantee. Please note: These products are not ECE-approved and must not be used on

public roads in any exterior application.Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.
