

# LEDDriving HL H11 Gen1

Ideal replacement for certain vehicles

### Cool White color temperature of 6,000 K

Better visibility thanks to daylight effect

### Superior brightness

More light allows to see further and therefore react faster. Signs, obstacles and hazards can be recognized sooner

### LED replacement for conventional H11 high and low beam lamps

Reduced glaring thanks to an optimized light distribution

### Suitable replacement for H11

With LED technology and a color temperature of 6,000 K, the OSRAM LEDDriving HL represents the most convenient solution in order to upgrade your existing headlights – providing a stylish cool white look as well as improved visibility for everything that lies ahead of you. It can be installed in place of certain H7 high and low beam lamps. The pair of lamps comes with a 5-year OSRAM guarantee and with a long service life. For precise guarantee conditions please refer to [www.osram.com/am-guarantee](http://www.osram.com/am-guarantee). Please note: These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.

## Product family datasheet

### Technical data

Product description	Product information			Electrical data		
	Order reference	Application (Category and Product specific)	Product type (off-road vs. on-road)	Power input	Nominal voltage	Nominal wattage
LEDriving HL $\cong$ H11 Gen1	65211CW	Mainly used for headlight/ fog light applications	Off-road $\cong$ H11	18.59 W	12/24 V	16.90 W

Product description	Test voltage	Photometrical data		Dimensions & weight	Lifespan	
		Luminous flux	Luminous flux tolerance	Diameter	Lifespan B3	Lifespan Tc
LEDriving HL $\cong$ H11 Gen1	13.5 V	1390 lm	$\pm 15\%$	34.0 mm	2500 h	5000 h

Product description	Additional product data	Capabilities	Certificates & standards
	Base (standard designation)	Technology	ECE category
LEDriving HL $\cong$ H11 Gen1	PGJ19-2	LED

#### Legal advice

Detailed guarantee terms can be found at [www.osram.com/am-guarantee](http://www.osram.com/am-guarantee).

These products do not have ECE approval. This means they must not be used on public roads in any exterior application. Use on public roads leads to cancellation of operating license and loss of insurance coverage. Several countries do not allow sale and use of these products. Please contact your local distributor for information on the availability in your country.

LEDriving CANBUS CONTROL UNIT avoids error messages on the board computer when using LED based products.

#### Application advice

For more detailed application information and graphics please see product datasheet.

#### Disclaimer
