

LEDiving headlight for VW Golf VII

Full LED redesign made easy - and legal

Up to 200% more light

More light allows to see farther and therefore react faster thanks to pixel-free optic and state-of-the-art lightguide technology compared to minimum ECE R112 requirements

Up to 200 m long light cone

Better visibility due to daylight effect with easy plug & play installation without modifying or damaging existing cables

Up to 100% whiter light

High contrast and brilliantly cool white LED light for most stylish look on the road when compared with standard headlights with halogen lamp when compared with standard headlights with halogen lamp

The OSRAM LEDiving headlights for VW Golf VII offer a legal performance and outstanding design upgrade for halogen-based or high intense discharge (HID)-based VW Golf VII models. All the lighting functions feature state-of-the-art LED technology: low beam, high beam, daytime running, position and turn indicator lights. Road safety also plays a major role. OSRAM offers a 2-year guarantee on the LEDiving Golf VII headlights. For precise guarantee conditions please refer to www.osram.com/am-guarantee. Not for sale in USA.

Product datasheet

Technical data

Product information

Order reference	LEDHL103-GTI LH
Product type (off-road vs. on-road)	On-road
Application (Category and Product specific)	Headlights

Electrical data

Nominal voltage	12.0 V
Nominal wattage	36 W
Test voltage	13.2 V

Photometrical data

Color temperature	6500 K
-------------------	--------

Dimensions & weight

Product weight	3950.00 g
Length	318.0 mm
Width	639.0 mm
Height	579.0 mm

Lifespan

Guarantee	2 years
-----------	---------

Capabilities

Technology	LED
------------	-----

Certificates & standards

Approval marks – approval	E4 approval
Type of protection	IP69K

Country specific categorizations

Order reference	LEDHL103-GTI LH
-----------------	-----------------

Logistical data

Commodity code	851220009000
----------------	--------------

Logistical Data

Product datasheet

Product code	Product description	Packaging unit (Pieces/Unit)	Dimensions (length x width x height)	Volume	Gross weight
4052899599628	LEDiving headlight - VW Golf VII	Shipping carton box 1	686 mm x 363 mm x 605 mm	150.66 dm ³	5670.00 g

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.

Legal advice

The LEDiving headlights are fully ECE compliant for a replacement of OEM halogen headlights and therefore registration free. This does not include individual custom requirements of countries, in addition to the standardized ECE certification of the product.

This product is not suitable for left-hand traffic.

Only suitable for VW Golf VII car models with OEM halogen or OEM xenon-headlights with halogen daytime running light. These products are not for sale in the US.

Application advice

For more detailed application information and graphics please see product datasheet.
