

LEDiving PREMIUM SL PS13W

Ideal replacement for any vehicle

High color temperatures of up to 6,000 K

Faster signals provide more reaction time for drivers behind you

Superior brightness

Faster signals provide more reaction time for drivers behind you

Replaces conventional P13W lamps

Upgrade to LED with simple plug & play replacement

Suitable LED replacement for P13W

OSRAM LEDiving PREMIUM SL illuminate vehicle exteriors with high color temperatures of up to 6,000 K. Thanks to their homogeneous light distribution, illumination is non-selective. OSRAM LED retrofits come with easy plug-and-play replacement for conventional P13W lamps, long life spans, low energy consumption – and 100% more style. OSRAM offers a 6-year guarantee for these LEDiving PREMIUM lamps. For precise guarantee conditions please refer to www.osram.com/am-guarantee. Please note: These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.

Technical data

Product description	Product information			Electrical data		
	Application (Category and Product specific)	Product type (off-road vs. on-road)	Order reference	Power input	Nominal voltage	Nominal wattage
LEDriving PREMIUM \pm P13W	Mainly used for daytime running light applications	Off-road \pm P13W	5828CW	3.30 W	12.0 V	3.00 W

Product description	Test voltage	Photometrical data		Dimensions & weight	Lifespan	
		Luminous flux	Luminous flux tolerance	Diameter	Lifespan B3	Lifespan Tc
LEDriving PREMIUM \pm P13W	13.5 V	200 lm	$\pm 15\%$	23.0 mm	2500 h	5000 h

Product description	Additional product data	Capabilities	Certificates & standards
	Base (standard designation)	Technology	ECE category
LEDriving PREMIUM \pm P13W	PG18.5D-1	LED
