

LEDDriving HL EASY H10

LED replacement for conventional lamps

Cool White color temperature of 6,000 K

Better visibility in foggy situations with a perfect color match for xenon and LED headlights. Signs, obstacles and hazards can be recognized sooner.

Superior brightness

More light allows to see farther and therefore react sooner with reduced glaring thanks to an optimized light distribution

Ultra compact LED replacement for conventional H10 lamps as socket solution

Easy installation with optimized compatibility

New OSRAM LED lamps to increase safety and performance

The latest generation of OSRAM LED lamps provides an even more convenient solution in order to replace and upgrade existing halogen lamps: With its ultra compact dimensions, the OSRAM LEDDriving HL EASY provides optimized compatibility as well as easy plug & play installation. Upgrading with state-of-the-art LED technology and a color temperature of 6,000 K for a stylish cool white look as well as improved visibility. Please note: These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage. Some countries prohibit the sale and use of these products. Please contact your local distributor for

information on your country.
