

# NIGHT BREAKER H7-LED

OSRAM's first street-legal LED replacement lamp

**OSRAM's first street-legal LED replacement lamp 1)**

Better seen and be seen, for more safety on the road, especially at night

**Up to 220% more brightness<sup>2)</sup>**

Cool White LED-Upgrade with color temperature close to daylight for specific car models

**Up to 5 times more lifetime<sup>3)</sup>**

Environmentally friendly through longer durability and less garage shop visits and reduced energy

### First NIGHT BREAKER LED

With NIGHT BREAKER H7-LED, OSRAM's first street legal LED replacement lamp is now on the market. The plug-and-play solution offers drivers significant advantages: very high cool white color temperature of 6,000 Kelvin with up to 220% more brightness compared to the minimum requirements of ECE R112, up to 5 times longer lifespan compared to halogen lamps and an additional 50% less glare. Only applies to the respective countries in which there is approval and the vehicle models and light functions currently listed in the compatibility list. For exact conditions see [www.osram.com/nb-led](http://www.osram.com/nb-led). OSRAM offers related installation accessories for the LED lamps.
