

LEDinspect Flood 20W

Inspection lights

2000lm

2000 lm

Bright, white light by high performance LEDs

Rechargeable battery

Operating time of up to 5 h (high) / up to 10 h (low) / up to at 20 h (flashing)

Water- and dirt repellent

Protection against the ingress of particles with $\varnothing \geq 1.0$ mm and against splash water according to IP54 / IK06

Light is versatile

This high-quality inspection light is perfect for professional and private use. For a variety of applications e.g for a wide and large-area lighting of rooms, areas and surfaces. With three light functions - high, low and flashing - 44 LEDs, 20 watts and up to 6000 Kelvin and a rechargeable 11.1 V 2000 mAh lithium battery, this headlight has an operating time of up to 5 h (high) / up to 10 h (low) / up to at 20 h (flashing). With the IP protection class IP54, IK06, this spotlight is protected against the ingress of particles with $\varnothing \geq 1.0$ mm and against splash water according to / IP54 and is according to IK 06 impact resistant. It can also be used as a power bank as 2 USB connections are integrated. This LED floodlight is easy to transport, has a non-slip and dirt-repellent surface, contains an integrated angle stand & magnets for hands-free work and easy attachment, and is therefore ideal as a work lamp for manual activities, car repairs, renovation and painting work. OSRAM also offers a 2-year warranty on this product*
