

LEDinspect FAST CHARGE SLIM500

Inspectionlights

Fast charge technology

Ca. 1h charging time from 0% to 100% battery capacity

500 Lumen

Two light functions - main light with up to 500 lm and torchlight function with up to 100 lm

Foldable Lamp

High flexibility and diverse adjustment possibilities thanks to multi angle positioning

2-year OSRAM Guarantee

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers

Product family datasheet

Light is versatile

This high-quality inspection light from OSRAM is perfect for professional and private use. With two light functions - main light with up to 500lm and torchlight function with up to 100lm, the appropriate light output can be retrieved depending on the task. The ultra-slim design in combination with the multi-angle positioning -270° twist and 180° flex- allows the light beam to be directed exactly where it is needed. While some inspection lights take up to three hours to charge the fast charge feature on the FAST CHARGE SLIM 500 takes the lamp from 0% to 100% battery charge in just about 1 hour while still offering a long service life. The inspection light is rechargeable, and the integrated charge level indicator shows the current status of the battery. A USB Type-C charging cable and the corresponding power adaptor are included in the scope of supply. In accordance with IP54 protection rating, this inspection light has protection against ingress of particles and against splashing water and is tested for impact resistance in accordance with IK08. This LED light is easy to carry, has a non-slip and dirt-repellent surface, includes an integrated hook & magnets for hands-free work and easy attachment, making it ideal for craft activities, car repairs and everyday use. In addition, OSRAM provides a 2-year guarantee on this product*

Technical data

Product description	Product information		Electrical data		Photometrical data	
	Application (Category and Product specific)	Order reference	Nominal wattage	Nominal voltage	Color temperature	Luminous flux
INSPECTION LAMP	LED inspection lights	LEDIL406	9.25 W	3.7 V	5700 K	500 lm

Product description	Light color LED	LED module information	Dimensions & weight			
		Number of LEDs per module	Product weight	Length	Width	Height
INSPECTION LAMP	White	2	230.00 g	175.0 mm	44.0 mm	37.0 mm

Product description	Colors & materials	Lifespan	Additional product data	
	Base color	Guarantee	Type of Battery	Number of included batteries
INSPECTION LAMP	Black / Orange	2 years	Rechargeable	1

Product description	Scope of battery	Capabilities	Certificates & standards	Environmental information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH)
		Technology	IK Class	Date of Declaration
INSPECTION LAMP	Yes	LED	IK08	04-10-2022

Product description	Primary Article Identifier	Declaration No. in SCIP database
INSPECTION LAMP	4052899623873	In work
