

## SNOW BRUSH 010

### Snow Brush

Clears heavy snow quickly without scratching glass

### Ice Scraper

Grooved, reinforced blade breaks tough ice fast without damaging glass

### Shovel

Extendable shaft with padded grip and aluminium edge clears piled snow safely

### Window Cleaner

Soft, wide head removes water, slush and light snow for clear visibility

### 4-in-1 Winter Tool for Effortless Snow Removal

OSRAM's 4-in-1 extendable snow brush, ice scraper, shovel and window cleaner is designed to make winter clearing faster and less effort. The lightweight aluminum shaft extends for extra reach, allowing you to clear windscreens, roofs and hard-to-reach areas without strain, while the ergonomic non-slip handle ensures comfort even with gloves. Dense bristles move heavy snow in fewer passes, and the reinforced scraper with integrated chippers breaks through stubborn ice without bending or damaging glass. For added versatility, the heads switch quickly between tools, and the whole system disassembles into five compact pieces for easy storage in the boot or glovebox. Built to withstand severe winters yet optimized for everyday use, it saves time on cold mornings and protects your car's windows throughout the season.
