Product datasheet

Flexible Mounting Kit

360° Flexible Mounting
Particularly flexible bracket for the installation of the LEDriving working lights Professional Series PX

Easy Installation
The bracket can be fixed to the vehicle with only one central screw

Matrix Portfolio
A vehicle-specific lighting set-up can be put together individually. Mix & match. Vary and combine

5-year OSRAM guarantee
OSRAM products are innovative and technologically high-quality products that are carefully tested and subject to the strict monitoring undertaken by the OSRAM quality assurance system

Professional light for professional work

With the OSRAM LEDriving Professional Series PX working lights portfolio, it is now possible to find exactly the right lighting for a wide range of special professional tasks and applications. Additionally, they can be mounted in three different ways: Direct mounting, flexible standard mounting, and heavy-duty mounting. OSRAM has developed specially designed mounting kits and a cable with DT-connector. The LEDriving Mounting Kit PX for a particular flexible assembly is compatible with all OSRAM LEDriving working lights of the Professional Series PX. It can be mounted to the vehicle with only one central screw, it is quick and easy to mount, and this also allows a faster and easier installation of the LEDriving working lights Professional Series PX. All components of the mounting kit are made of stainless steel, it has a vibration resistance of at least 8g rms and is therefore designed for everyday use on construction site vehicles, tractors, etc. In addition, the bracket can be adjusted to a tilt angle of up to +/- 15 degrees and can even be rotated up to 360° to direct the light of the working lights where it is needed. OSRAM provides a 5-year guarantee on these products[1)2)]

1) Additional working lights without ECE approval for use as work lights are approved for use on any vehicle according to German Road Traffic Licensing Regulations (StVZO) §52 (7). However, they must not be used and switched on while driving. In addition, individual special regulations, and laws of

Technical data

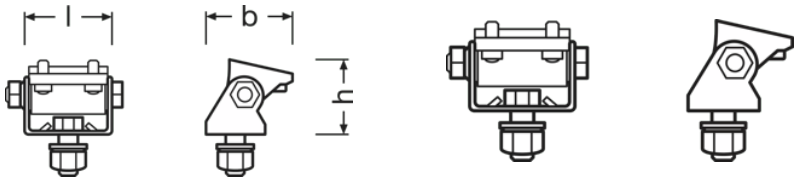
Product information

Application (Category and Product specific)	Working light application

General Product Information

Global order reference	LEDPWL ACC 101

Physical Attributes & Dimensions



Product weight	174.00 g
Length	123.3 mm
Width	35 mm
Height	89.0 mm

Lifetime Data

Guarantee	5 years

Additional product data

Connector to lamp	Screw-Connection

Logistical data

Commodity code	73269098900

Environmental & Regulatory Information

Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACh)	
Primary article identifier	4062172294768
Candidate list substance 1	Lead
CAS No. of substance 1	7439-92-1

© 2026, OSRAM GmbH. All rights reserved.

Product datasheet

Safe use instruction	The identification of the Candidate List substance is sufficient to allow safe use of the article.
Declaration no. in SCIP database	805740d6-70d3-41a2-b8af-283c5c51cf05

Logistical Data

Product code	Product description	Packaging unit (Pieces/Unit)	Dimensions (length x width x height)	Volume	Gross weight
4062172294768	Mounting Kit PX LEDPWL ACC 101	Folding carton box 1	94 mm x 40 mm x 130 mm	0.48 dm^3	194.00 g
4062172294775	Mounting Kit PX LEDPWL ACC 101	Shipping carton box 30	576 mm x 213 mm x 145 mm	17.79 dm^3	6074.00 g

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.
